

Story Time at Edmondson Pike Library

Sometimes when I visit the library I can go to Story Time. Lots of people like going to Story Time. My grown-up or I can check the calendar on the library website to find out about Story Time or I can get a schedule at the library. A librarian reads the stories. Most of the time, it is the same person every week. There might be a different librarian some days.

When it is time for Story Time, we go into the Story Room. If I want to, I can pick a seating pad from the stack to sit on. In Story Time the librarian will read stories. I will try to sit quietly on the floor or on a bench while the librarian is reading the stories. In between stories, we will sing songs or recite poems or count. When we sing songs, I can stand up and sing or move my hands or body along with the rhyme if I want to. At the end of Story Time, I can get a stamp on the back of my hand if I want one.
